The Better Business Bureau® has created a new and exciting program that allows participants to make up to 7–8 new contacts every 15 minutes!

Participants will have 1½ minutes at each table to present their companies or services. During individual presentations, brochures and samples may be used. After each timed presentation is made, everyone will move to a new designated table to start all over again!

Limited seating! Make your reservation now. Only 1 person per company permitted. Extra tables will be provided for additional flyers and brochures during the event.
